# Zambonetti

## TRANSPORT

Dear Exhibitors,

The beef and dairy committee members of the Albany show would like to welcome you to the 2011 Zambonetti Transport Stud Beef and Dairy Competition. Once again the sections will be judged as European Breeds, British Breeds, Specialty Breeds and Bos Indicus Breeds, leading into an All Breeds Champion (exc specialty breeds who will have their own specialty breeds champion). Once again we have some great sponsors on board (**over \$6500 with some excellent prizes – pack of strainer posts, electric fence energizer, shed work bench, concrete trough, hay bale ring just to mention a few**), upgrades will include further improvements for the wash down bays, tie up rings in the stalls, leveling of the surface for the show ring, more rubbish bins, lights and speakers, and as we speak hopefully widening of the our entry gate to allow better access. We also would like to make mention of our major sponsor Zambonetti Transport for their continued generous support of our local cattle event and helping us really get the competition up and running as an important date on all cattle producers calendars.

A few extra changes, which we have decided to bring about, are including:

1. A led commercial heifer competition
2. Weighing and scanning of all cattle for improved performance measures when being judged.
3. A cooked breakfast for all cattle exhibitors and helpers on the Friday and Saturday mornings

With the BBQ for sponsors and exhibitors being such a success last year this will now be an annual event, which we hope to this year add in some entertainment (Bucking bull). Again we will endeavor to hand out all the awards and prizes at the BBQ on the Friday night for the stud cattle competition this year as all sponsors will be there to hand exhibitors there awards and congratulate them (If time persists). We would also like to take this opportunity to thank Butterfield Beef for the donation of the meat for the BBQ and Reeves Butcher for putting the quality paddies together with their secret ingredients.

Thank you to all those exhibitors last year who returned comment slips on how we can improve and what you as exhibitors would like to see introduced. At this stage we are hoping to establish a hoof and hook competition for 2012, once the yard facilities have been improved.

A quick note, on fees and memberships. It is more cost effective and will save you money if you join as a member of the Albany show.

This year all cattle are required to be weighed and scanned Friday morning between 6.30am and 8.30am, could I please ask that all cattle are on the grounds before 6.30 on Friday morning.

The committee is dedicated to ensuring the continual improvement and success of an Albany Stud cattle show. We welcome any thoughts or suggestions on improving the competition

Regards

Albany Show Cattle Committee 2011
