INTRODUCTION

The forthcoming 2009 Show will be the 114th presented by the Society since its foundation 120 years ago in 1889. 2008 saw approximately 22672 people on the Show ground during the two days taking advantage of the opportunity to see all of the fine products and stock on display.

Entertainment is focused on encouraging a crowd at least equal to last year with a wide variety of performing artists.

Exhibition halls and the larger Trade Marquee will fill early with outdoor space once again continuing to expand to cater for the growing number of Trade exhibitors. Whilst the indoor layouts are finite the outdoor layout needs to be a little flexible to accommodate the variations in requirements and types of exhibits. In either case our **Early Bird** discounts are there to encourage early application and payment which in turn provides more time to design the optimum layout and the best Show experience for all concerned. Please take advantage of this opportunity and minimise your costs.

This years Show will once again be well publicised through local and state wide media with our popular regular monthly Showpage due to commence publication in August.

We hope you can see fit to join us at the Show this year.

The following information is provided in an endeavor to assist your decision and should your question not be addressed within, please feel free to telephone or email the Society for further assistance.

Paul Higginson – Secretary

2. A small number of Trade Exhibitor's vehicle passes are issued free with your site. You may park your vehicle within the confines of your site. This category includes vehicles forming part of your display. In either case, all vehicles must be parked by 9:00am each day. **Once parked the vehicle is not to be moved until after closing time.** "Extra" pass holders (those paid for over and above the free vehicle pass issued with each site) are to park on the Lockyer Avenue car park opposite the showground.
3. RED passes are used for temporary access suitable for **catering** deliveries via **Gate 1**, Section exhibitors delivering or collecting exhibits using **Gate 2**. Each vehicle in these categories may enter for a ten (10) minute period only. Only sheep exhibitors collecting stock may enter by arrangement with the Secretary via **Gate 1** from 4:30pm on Saturday guided by security staff.

To ensure the Show runs smoothly, gate-keepers will be enforcing the "**NO PASS - NO ENTRY**" policy for Exhibitors and Patrons alike.

Vehicle passes ***MUST BE AFFIXED TO YOUR WINDSCREEN*** and only these vehicles will be permitted onto the grounds. If not, **be prepared for Gate or Security personnel to affix the sticker for you.**

Exhibitor and vehicle passes will be mailed to you by least two weeks prior to the Show.

Please ensure that you have your personal pass with you at all times, as forgotten / lost passes are not re-issued. ***There will be no refunds should you lose your pass and you will have to pay at the gate to gain entry.***

All Exhibitors are reminded to ensure that all of their staff members have sufficient passes. The gates will be locked at 5:30pm on the Wednesday 11th November, and Security guards will be on the grounds from 7:30am Thursday 12th November, until 11:00am Sunday 15th November 2009.

THERE WILL BE NO ENTRY INTO THE GROUNDS FOR EXHIBITORS TO BEGIN SETTING UP UNTIL 9:00am THURSDAY 12th NOVEMBER. Please adhere to this entry time as refusal may offend. Passes and identification will be required for entry into the grounds at all times. Pavilions or Marquees will not be accessible after 9:00pm on the Thursday. Admittance into the grounds between 5:30pm and 8:45pm on Thursday will only be permitted if approval has been granted by the Secretary before 3:00pm Thursday 12th November to ensure that your name has been given to the gate attendants - if you are not listed, entry will be refused until 6:30am on Friday 13th November.

PARKING:

Vehicles ARE NOT PERMITTED TO BE PARKED ANYWHERE ON THE SHOWGROUNDS IF THEY ARE NOT PART OF YOUR DISPLAY.

Vehicles must be removed immediately unloading is complete and parked in the Trade Exhibitors car park west side of Lockyer Avenue.

Special passes for restocking vehicles up to 8:30am may be granted. Vehicles must be stationary on exhibitor's site or in appropriate parking area while Show is open to public. Indoor exhibitors are to unload and remove their vehicles from the grounds within 10 minutes - this will prevent congestion along the internal road. Traffic is **ONE WAY ONLY** - exit gate is Northern end (just after Sheep pavilion) of Centennial Oval. It would be appreciated if any large trucks collecting displays from indoor sites could be left until Sunday or Monday to prevent a gridlock situation.

UNAUTHORISED VEHICLES LEFT PARKED ON THE GROUNDS MAY BE TOWED AWAY WITHOUT NOTICE. The Society and or the Towing Contractor will not be responsible for any damage incurred in the process.

You will be responsible for all or any towing costs incurred by this action.

OTHER FACILITIES:

Other facilities include the use of water from existing fixed outlets and first aid provided by St Johns exhibition situated in Centennial Hall.

RUBBISH:

Please ensure all rubbish is placed in the bins provided and cardboard boxes are flattened prior to disposal - your assistance will keep the grounds tidy and provide a pleasant environment for everyone.

FOOD VENDORS:

Catering supply vehicle passes are available from the office for delivery of supplies onto the grounds. All other vehicles are to be removed from the grounds.

LOADING RAMP:

A loading ramp approximately 3 metres in width is on site adjacent to the horse stable. A second temporary ramp is also available in front of the cattle stalls.

Extra vehicle passes are available at \$4:00 each. ***You must have a personal pass for each person attending your display.***

Every effort will be made to accommodate your preferred site but final placings are at the discretion of the Society. Should you for any reason be requested to move to an alternative site (this is only done in unexpected / urgent cases), your compliance is expected as refusal may lead to immediate expulsion from the grounds with no refund being made.

Exhibitors requiring water on their site must request this facility on the application form. Every endeavor will be made to accede to this request and may require relocation from your desired location to one where water is more accessible.
